

**Performance Improvement Committee**  
**July 18, 2019 – 5 PM**  
**REMS Council – Classroom A**

**Members Present**

**Staff Support**

**Excused**

**Guest**

**Call to Order**

Attempted to meet on July 18. No quorum.

**Reports**

**Next Meeting**

Next meeting will be held on October 10 at 5:00 PM.

**Performance Improvement Committee**  
**October 10, 2019—5:00 PM**  
**Rappahannock EMS Council – Regional Training & Simulation Center**

**Committee Members Present**

Mark Crnarich  
Susan Dietrich

Greg Fleck  
Christina Rauch

**Minutes**

**I. Approval of Minutes**

January 10, 2019 and April 4, 2019 meeting minutes approved as presented.

**II. Reports**

**I. General Reports Review**

**a. *Demographic Data Review:***

- i. 9-1-1 Initiated Transports by County
- ii. Incident Dispositions for Q4
- iii. Average Arrival & Transport Times by County

**b. *Data Quality:***

- i. Pharmacy – Medication Records
- ii. Recording of Medical Record Number (MRN)

**II. Performance Indicator Projects**

**a. Stroke (2018 assessment of Objective Quality Evidence [OQE])**

- i. Protocol Assessment (Blood Glucose, Stroke Assessment, LVO Screen, Last Known Well Time)
- ii. Scene Time Assessment
- iii. Current findings / opportunities for improvement
  1. Last Known Well Time is not available on state EMR form. After discussions with Bryan Hodges (OEMS), he has it on the schedule for June Upgrade
  2. LVO stroke assessment is available for documentation. This appears to be an educational challenge for provider documentation.

**b. STEMI (2018 assessment of Objective Quality Evidence [OQE])**

- i. % Cardiac Chest Pain (CCP) with 12-Lead Assessment
- ii. % CCP with ASA administration
- iii. CCP by Hour, Day, Month

**c. Trauma**

- i. No report to review
- ii. Other than pain assessment, other potential indicators?

**III. Next Meeting**

The next meeting of the Performance Improvement Committee will be on January 9, 2020.

**Performance Improvement Committee**  
**January 9, 2020—5:00 PM**  
**Rappahannock EMS Council – Regional Training & Simulation Center**

**Committee Members Present**

Mark Crnarich  
Susan Dietrich

Greg Fleck  
Christina Rauch

**Minutes**

**I. Approval of Minutes**

October 10, 2019 meeting minutes approved as presented.

**II. General Business**

- I. Charter Review: no changes at this time.
- II. EMS 2050 discussion and review.

**III. Reports**

I. General Reports Review

a. *Demographic Data Review:*

- i. 9-1-1 Initiated Transports by County
- ii. Incident Dispositions for Q4
- iii. Average Arrival & Transport Times by County

b. *Data Quality:*

- i. Pharmacy – Medication Records
- ii. Recording of Medical Record Number (MRN)

II. Performance Indicator Projects

a. Stroke

- i. Indicator review (attached report)
- ii. Change in inclusion criteria:
  - 1. 2019 EMSCOMPASS recommended ICD-10 codes: I60.,I61.,I63.,G45.,G46.
  - 2. Additional ICD-10 codes: I62
- iii. 2019 EMSCOMPASS change in selection criteria for Stroke Assessments: Exclusion of patients that are Unresponsive
  - 1. Should this be forwarded to Stroke Committee for protocol revision?
- iv. Potential Data Quality issue: Using Stroke scale for past medical history vice active issue.

b. STEMI

- i. Indicator Review (attached report)

c. TRAUMA

- i. Indicator Review (attached report)

**IV. Next Meeting**

The next meeting of the Performance Improvement Committee will be on April 9, 2020
