## **Planning Points to Consider for EMS Transport Vehicles:**

1. How many of these units are running at routine peak load?
  - Caroline County- 4
  - Colonial Beach - 2
  - Culpeper County -3
  - Fauquier County- 6
  - Fredericksburg City – 3
  - King George County – 3
  - LifeCare -45
  - Orange County - 4
  - Spotsylvania County -11
  - Stafford County – 6
  - Rappahannock County - 3
  
2. How many additional units could you have running within 3 hours if you...
  - a. **Called in off-duty staff?**
    - Caroline County – 8
    - Colonial Beach - 1
    - Culpeper County – 2
    - Fauquier County – 6
    - Fredericksburg City – 3
    - King George County – 1
    - LifeCare – 20
    - Orange County - 10
    - Spotsylvania County – 12

## EMS Surge Capacity Planning Workbook

Rappahannock EMS Council

**What drills & exercise needs would you like to identify for the future?**

**Disclaimer:** The total resources in this plan may vary due to double counting of resources and jurisdictions should not depend on getting exactly what is listed at any given time due to agency responses and other incidents.

**Notes:** This document was compiled from agency-reported data and information; if a change is made at an agency or you find something to be no longer valid information please contact the REMS council so that an amendment can be made. Limited to no information is included in this report from agencies in Westmoreland County and at the Marine Corps Base Quantico due to lack of response from the agencies when information was requested.
