## Join us for an Anatomy Tournament hosted by Anatomage & Rappahannock EMS Council

The Anatomage Tournament is a team-based competition that focuses on knowledge of anatomical structures. Participants will get hands-on experience with our Anatomage Table 3D technology while competing to test their anatomy knowledge. Outside of the Tournament, there will be educational workshops and hands-on activities to help prepare students for their collegiate careers.

During the event, teams compete to be one of the Top 16 teams to advance to the Tournament Bracket. The Top 4 teams will win prizes and advance to the National Anatomage Tournament!

### Team Requirements

- The Tournament is open to all high school students
- Maximum 3-4 students per team, no exceptions
- Up to 4 teams from each school are allowed to compete
- Teams must be accompanied by an onsite chaperone
- A signed waiver for all participating members is required to participate

## Anatomical Systems

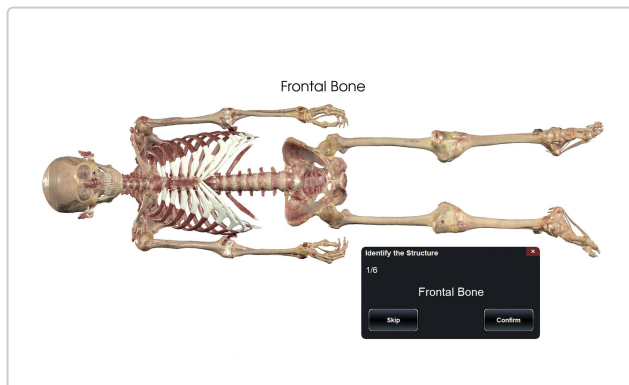

- Cardiovascular  
(Including the heart and major blood vessels)
- Digestive
- Muscular
- Respiratory
- Skeletal  
(Including ligaments and bony landmarks)

## What to Expect

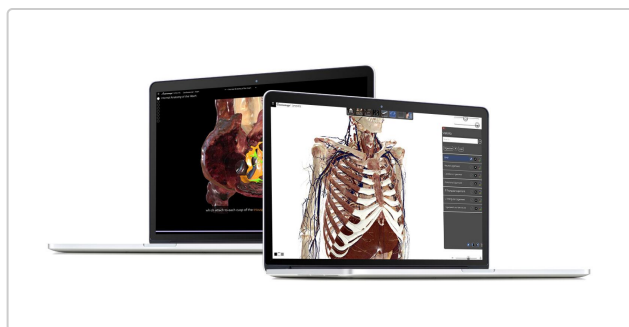

Each team will register for a 20-minute time slot in the Tournament Preliminary Round where they will:

- Receive an introduction to the Anatomage Table
- Take practice quizzes to become familiar with Table Quiz functions
- Complete Tournament Round Quiz by identifying anatomy structures by name and identifying anatomy structures by their main description/function.
- Outside of Tournament competition there will be workshops that feature Anatomage technologies and information sessions from instructors

## How to Prepare

- We recommend studying anatomy using a method that works best for you including apps, models, or with Anatomage Technologies. You will be tested using a real, authentic cadaver from the Anatomage Table.
- Instructors can request access to [Anatomage Lessons](#), which uses the same cadavers featured in the Tournament.
- Anatomage Lessons provides students access to 2 cadavers as well as videos and exploratory exercises. Instructors can contact [Lessonsinquiry@anatomage.com](mailto:Lessonsinquiry@anatomage.com) to claim free access to Anatomage Lessons to aid in studying anatomy.
